All classes will meet on all days, including Study Halls and Physical Education classes. Science labs will not meet during the exam days; students will report to physical education/health classes or study halls. Students are not required to report to school for their lunch period. If students do choose to come to school during their lunch periods, they will be required to remain in the cafeteria. In the event that a student has three major exams on the same day, the student may request permission to schedule one of the exams on an alternate day. Such arrangements must be completed before January 23rd.

The 10 minute passing time between exams is designed to permit students to use the restrooms, or go to their lockers, if necessary.

Students who are absent from an exam must present a written excuse from a parent or guardian to their respective deans in order to have their absences excused. The student is then responsible for contacting the teacher as soon as possible to schedule a make-up exam.
